

### Sample Scope and Sequence of Professional Learning Engagement

In this document, you will provide information on a sample scope and sequence of a professional learning engagement. This engagement should represent work done with a past client.

*For example, if you had a two year engagement that included Adoption, Initial Implementation, and Ongoing Support for Teachers with Applewhite School District, you would complete a separate template for each one of those types of professional learning, and include the scope (what you covered) and sequence (timeline).*

**This overview represents the services for one client of the professional learning partner.**
